Purpose and benefits:

What is the purpose of the work you require the product for?	
What benefits does your work accrue through the use of the requested product?	

The 1986 (ASPA) act sets out seven 'permissible purposes' only work that fits into one of these may be carried out in the UK, this product is provided to support work in the following categories please select which purpose your work falls under.

	(a) basic research;
-----	(b) translational or applied research with one of the following aims —
	(i) avoidance, prevention, diagnosis or treatment of disease, ill-health or abnormality, or their effects, in man, animals or plants;
	(ii) assessment, detection, regulation or modification of physiological conditions in man, animals or plants;
	(c) development, manufacture or testing of the quality, effectiveness and safety of drugs, foodstuffs and feedstuffs or any other substances or products, with one of the following aims mentioned in paragraph (b);

Declaration

I can confirm that the samples referred to above are required for the purpose identified and that there is no suitable alternative available to using animal derived material.

While these materials are not be believed to be dangerous as with human samples, it is possible they may contain hazardous infectious agents and Envigo policy is to recommend that from a COSHH point of view they are treated as potentially hazardous and users should ensure that these materials are handled with care and ultimately disposed of by an appropriate method.
